

## Smart Hamlet: 1 Year old Pool Villa 2 Bed 2 Bath on a good size of land

8,790,000 THB

This 2 bedroom 2 bathroom pool villa, which has been extended by 9 sqm compared to the standard version, stands on a pleasantly large plot of 612 sqm and has a total living area of 135 sqm. The European-style kitchen is from the well-known manufacturer Kvik and has an induction hob, dishwasher and fridge. The master bedroom is equipped with Daikin air conditioning and the bathrooms are fitted with Cotto fittings. High-quality fly screens have been retrofitted throughout the villa and curtains have been fitted everywhere. The terrace is covered and in front of it is the 3.5 m x 8 m pool, which has been fitted with high-quality tiles. The water quality has been upgraded with a Purion filter system, which improves the service water and even ensures drinking quality water, and an additional 4000 liter water tank serves as a reserve storage tank for the drinking water system. The electricity costs are reduced to a low level by a 5 KW solar system and the double-glazed windows ensure that the villa heats up less inside. Exterior cameras have been installed to ensure personal security and surveillance when you are away.
