

Fishing Lakes & Resort for Sale in Hua Hin – Established Business

30,000,000 THB

Fishing Lakes and resort for sale, the current owners, wishing to retire.

The lakes and resort are offered in its entirety (Minus certain personal effects of the owners) as a working business with a good reputation in the recreational fishing business. Unlike other fisheries this business is for sale FULLY FREEHOLD – in other words – no annual rent to pay.

This business should be viewed as offering a lifestyle for the purchaser to live in Hua Hin, the oldest but fastest developing resort in Thailand. The value of the property will increase in line with the rising value of all property in the area and is therefore a solid investment that will also provide an income.

The Business is profitable but could yield a much higher income with some further investment by a new owner.

This is a superb opportunity for an individual or a syndicate to enter the Thai fishing business which is a growing and popular destination for anglers world-wide. The property will provide a great basis for a future very profitable investment. with a little further development.

Hua Hin is one of the oldest resort towns in Thailand but has benefited from some major development in the past 5 – 10 years. Most of the top 5* hotel chains are represented in the town and together with numerous other hotels and guest houses they offer a wide base for customers. There is also a large multi-national expat community in the town that provide a 'regular' customer base.

REASON FOR SELLING

After building the Lodge, operating and maintaining it for 17 years, the current owner wishes to retire.
