

3 Bedroom House with Pool

2,990,000 THB

Compact house with a lot of character.

This house is looking for a buyer with dedication and ideas.

It is located in a quiet area, away from the noise and stress of the city, but still only about 10 minutes from the city center.

In the immediate area there are small restaurants, bars, hair salons, laundries.

With three bedrooms, of which only one is used as a bedroom at the moment and the other two are used as a hobby room, also a master bathroom and a smaller bathroom will offer enough space for up to three people.

The small but nicely landscaped outdoor area and a raised terrace offer chill spots for the day to enjoy the sun or the cooler evening hours.

There is also a covered parking space for the car.

Arrange a walk-through appointment to get your own impression.
