

8-3-35 Rai Land Plot For Sale In Hin Lek Fai

16,791,250 THB

Nestled in the scenic area of Hua-Hin (Hin Lek Fai), this expansive property offers 8-3-35 Rai (14,140 m²) of prime real estate. With 70 meters of government road frontage, accessibility is a key highlight of this land. The property is held under a Chanote title deed, ensuring clear and secure ownership.

The land is situated on high ground, providing a safeguard against flooding. The area boasts distant mountain views, creating a serene and picturesque environment. The 70 meters of government gravel road frontage enhances convenience for access and potential development.

One side of the property is secured by a 178-meter perimeter wall shared with a neighboring property. Additionally, new home developments are emerging on each side, enhancing the appeal of the location for residential or investment purposes.
