

Beachfront 2 Bed Condo with Direct Sea Views For Sale

16,500,000 THB

The Seaside Condominium is located in an excellent area only 5 minutes north of the King's Palace in Hua Hin Soi 9.

It is walking distance to the 5 star Anantara Hotel as well as Makro Food Services where the majority of Hua Hin locals do their grocery shopping.

The Seaside Condo is a small, exclusive complex without too many units and it's right on the local green bus route where you can hop into one of the songtaew green buses and arrive at the Market Village Mall in about 10 minutes.

This unit covers a total area of 120 sqm with a total of 2 bedrooms and 2 bathrooms.

It is one of the best units available in this complex as it has uninterrupted and direct ocean views which is difficult to find in any condo in Hua Hin.

The condo is being sold fully furnished and ready to move in.

It's great for a family from Bangkok who want a holiday condo on the northern side of Hua Hin without having to get stuck in the weekend traffic from north to south Hua Hin.

Easy access to multiple restaurants in the area including The Baguette which is just across the road and a staple favourite for Thais visiting from Bangkok. Lots of Thai restaurants in the area including Baan Dum Seafood on the beach, plus you're only 5 minutes or less from the Villa Market at Index Living Mall for international and imported foods.

This is a top property in an excellent area that's quiet without too many neighbors.
