

## Beautiful Land For Sale In Dolphin Bay

4,375,000 THB

This beautiful 4000 sqm plot of land for sale in Dolphin bay is only 5 minutes drive to the beach. The land has stunning mountain views especially in the evening when the sun sets behind the mountains and would be ideal for a building a family residence or subdividing for a small development. There is a pond of 35x18m on the land which adds to its charm.

Power and water are already connected and the land has full Chanote title deed.
