

Luxury Estate 4 Bedroom Pool Villa Hua Hin

55,000,000 THB

Introducing this exquisite and spacious pool villa, a true gem nestled within a lush tropical oasis. This two-story villa is situated on an expansive 4200 sqm land plot in close proximity to Hua Hin City Center and the stunning beaches. Designed with meticulous care, the property features an extensive living area that seamlessly blends the indoor and outdoor spaces, including the sprawling terraces.

As you step into the meticulously landscaped tropical garden, you'll discover the artistry of a skilled garden designer. The garden even boasts a golf course training area complete with a sand bunker, chipping facility, and your very own putting green. The centerpiece of this outdoor paradise is a generous swimming pool area with a jacuzzi and a graceful waterfall, complemented by an adjacent relaxation area.

The main building, a two-story architectural masterpiece, greets you with a grand mahogany stairway that leads to the upper floor. The entire top floor is dedicated to the owner's suite, offering a spacious ensuite master bedroom, a private living room, an office, and a separate toilet. An expansive covered terrace opens up to reveal breathtaking views of the garden and the majestic mountain backdrop.

The ground floor is thoughtfully designed, featuring an open-plan living room and a European-style fully fitted kitchen equipped with modern conveniences such as an oven, steam oven, microwave, and induction cooker. Two ensuite bedrooms provide luxurious comfort. During the villa's renovation, large sliding doors and windows were tastefully integrated into the design, allowing natural light to flood the interiors. Combined with high ceilings, this creates a bright and airy atmosphere. For added

convenience, a separate laundry room is accessible from outside.

Outside on the covered downstairs terrace, a spacious sitting area awaits, along with a stunning black old teak dining table with seating for ten guests.

Every building on the property has undergone recent renovations and has been meticulously furnished with the expertise of an interior designer. The high-quality furniture, including pieces from the prestigious Siam Old Teak company, known for their exclusive use of old, high-quality teak, is all included in the price.

Continuing your journey through the garden, you'll find a charming one-bedroom guesthouse with two separate bathrooms and a cozy living room. Even the guesthouse is adorned with high-quality old teak wardrobes and furnishings.

A broad driveway leads up to the villa, and on the left, you'll discover a combined two-car garage and storage room. Notably, all air conditioning units are discreetly hidden outdoors behind a wall to ensure peace and quiet.

This exceptional property is currently owned via a company structure but can be acquired as freehold at an additional cost.
