

Sea View 3 Bed Condo For Sale in Hua Hin City Center

16,500,000 THB

Baan Saechuan Condo is one of the most exclusive condo developments in Hua Hin.

It is located in the heart of Hua Hin – right in the city center and opposite Bangkok Hospital.

The design of the condo is unique and there are no other city center, direct beachfront condos that are similar. The parking is all on the left hand side as you drive in, with ground floor units that have direct parking access and other units that can simply go up the elevator to their room direct from the parking area.

The entire southern part of the condo is communal gardens and beautiful, flowing communal swimming pools that stretch all the way to one of the best beach locations in town.

This unit is situated on the 3rd floor of the first building, with stunning sea views of the gorgeous gulf of Thailand.

The unit has 3 bedrooms and 3 bathrooms, a large open plan living area with fully fitted European kitchen and large balcony facing the ocean. Total living space inside and outside covers 143.81 square metres.

It can be bought as full freehold by foreign nationals and Thai citizens.

There are only 2 properties listed for sale in this development – contact us today for a private tour or video call inspection.
