

## Standalone 4 Bedroom House on a Big Plot and own Well

6,500,000 THB

A 4 Bedroom house with 3 bathrooms, on a large lot with a huge pool and its own well.

With this home you will find the long sought after tranquility, somewhat secluded from the city but still close enough to quickly get into town to eat at a restaurant or do your shopping.

Because of the own well on the property you are independent of the city water supply, and you always have clean water because of the downstream water treatment plant.

A pool, with an exceptional size of 10 x 7 meters, invites not only the children to swim, it is simply wonderful to be able to draw his lanes without restriction or simply to allow himself the necessary cooling on hot days.

The size of the property allows many design options, here you can realize yourself.

The house itself has always been maintained, and necessary work has been done. The size of the house is very appealing and the layout of the rooms is well-thought-out.
