

Sunset Views: 5 Bedroom Villa in absolutely superb condition

11,900,000 THB

*****REDUCED FROM 13 MIO. THB TO 11.9 MILL. THB*****

This pool villa is more than impressive.

Already when entering the property you have the feeling to visit a newly built villa and not a villa that dates from 2014. This impression continues inside. Not only that it is in almost mint condition, but also the design and finish reflect the high standards and good taste of the owners.

Since the entire area around the house is tiled, this house is looking for a new owner who does not want to spend the whole day gardening, but rather spend his days relaxing, sports and other activities to fill the precious time with beautiful things in life.

The villa has a large open plan living-dining-kitchen area, the kitchen is European style and fully equipped, furthermore the villa has 4 bedrooms and 3 bathrooms. The master bedroom is equipped with a walk-in closet. One of the bathrooms even has a bathtub. A separate room for a maid with its own bathroom is available, or the room can also be used for fitness equipment. Outside there is a nice large covered terrace which is right next to the inviting large infinity pool. At the front of the house is a parking space which can be accessed through an electric gate.

Some of the items and furniture in the house will be removed by the current owners, but much of it will remain in the house.
